

Curriculum Overview

Real Estate Investment Specialist (REIS™) Designation

The REIS™ Designation Program is a 3-Phase (10-Unit) learn-at-your-own-pace training system designed to build investor knowledge, advisory credibility, and wealth-building strategies for licensed real estate professionals. Each unit includes online video modules, a comprehensive workbook, exercises, case studies, templates, quizzes and action steps to support real-world implementation.

Phase 1: Foundations of Real Estate Investing

Unit 1: Introduction to Real Estate Investing

- Understanding investor psychology vs. end-user behavior
- Why most agents fail with investors
- Creating clients for life
- Positioning yourself as a Real Estate Wealth Consultant

Unit 2: Investment Property Types & Classifications

- Single-family, duplex, triplex, fourplex
- Flipping, Buy & Hold, BRRRRs, Rent to Own
- Intro to advanced strategies

Unit 3: Intro to Property Analysis 101

- Quick analysis techniques
- Lenders and the current lending environment
- Long-form financial analysis

Phase 2: Advanced Property Analysis & Team Building

Unit 4: Advanced Deal Math 102

- Selling strategies and equity takeout
- Refinancing techniques and timelines
- Advanced BRRRR techniques and optimization

Unit 5: Advanced Deal Math 103

- Using HELOCs strategically
- Understanding Debt Service Coverage Ratio
- CAP rate mechanics and interpretation

Unit 6: Building the Investor Power Team

- Investor-focused mortgage brokers, lenders, lawyers
- Inspectors, contractors, appraisers, property managers, etc.
- Interview scripts and evaluation checklists

Unit 7: Effective 'Thought Leader' Marketing

- Authority positioning, personal branding, niche targeting
- Presenting deals like a pro and 'retirement blueprints'
- Thought leadership strategies

Phase 3: Scaling Into Bigger Deals

Unit 8: Joint Ventures & Business Structures

- Partnerships, Corporate structures, GP/LPs
- Trusts, syndications, and Joint Venture strategies

Unit 9: Advanced Strategies & Metrics

- Intro to 5+ unit multi-family
- Land development and land assemblies
- Multiple 'larger deal' acquisition pathways
- Key metrics for evaluating complex investments

Unit 10: Intro to Commercial Real Estate

- Commercial lease types and analysis
- Commercial financing overview
- Advanced investment metrics

Final Exam

- REIS™ Certification Exam
