

Real Estate Investment Specialist™ (REIS™)

Empowering REALTORS to Help Clients Build Wealth,, and Do It Themselves

What is the REIS™ Designation?

- A national certification awarded by the **Real Estate Investment Institute**
- Built for licensed agents who want to **work with investors** — not just homebuyers
- Based on CREA's recommended competencies and real-world investor strategies
- Delivered fully online — self-paced with quizzes, tools, and a proctored final exam

Why REALTORS® Need It Now

- **Most agents lose investor deals** because they're not trained to analyze or explain them
- Investor clients do **3–5x more transactions** than residential buyers
- The current market favours strategic, cash-flow deals — not emotional purchases
- This training gives agents an edge in today's low-commission, high-noise market

Benefits to the Agent

- Attract **serious clients** who transact multiple times a year
- Learn how to build **your own investment portfolio** — not just sell to others
- Gain confidence to present deals like a pro, with ready-made tools and frameworks
- Stand out in a crowded field with a **recognized professional designation**
- Join a network of like-minded agents inside the **REIS Graduate Community**

What the Training Includes

3 Core Phases of Training:

1. **Residential Investor Strategies** — entry-level deals, property analysis, BRRRR alternatives
2. **Advanced Property Analysis** — industry expert team-building, financing, multi-unit analysis, client blueprints by the numbers
3. **Investor Marketing + Commercial Basics** — branding, pitch decks, developer work

Includes:

- Learn at your own pace video training
- Live weekly group coaching
- Downloadable analyzers, calculators, and client tools
- Comprehensive workbook, case studies, scripts, and investor conversation frameworks
- Action Steps to Systematically Build Your Business
- 1 full year of Monthly Masterminds + deal support (beginning after graduation)
- Lifetime REIS Directory Listing
- Option to add personal coaching

Results You Can Expect

- Close more deals with investor clients
- Gain referrals from other agents and past clients
- Reduce commission dependency by investing yourself
- Build long-term wealth — not just a month-to-month business
